## **BillTrack & Custom Bill Reports**

(1986-present)

Real-time Legislative Tracker.

Every Action of Every Bill.

Follow your bills in real-time as they travel through Congress from your desktop or mobile devices. It's like a stock ticker, but for legislation—delivering line-item updates on bills important to you when action occurs on hearings, markups, new amendments, added cosponsors and much more. This service includes the ability to create custom bill reports to summarize the trajectory of the legislation most important to you and is searchable and alertable by: keyword, bill number, committee, subcommittee, sponsor, cosponsor, chamber, legislative stage, appropriations bill and more. An archive of content is available since the 99th Congress (1985).

## **Bill Text** (1987 - present)

All bills. Fully searchable.

It's never been easier to pinpoint the language you need from a House or Senate bill. Keeps you up-to-date on newly introduced legislation and new bill language. This online tool is fully searchable, meaning you get exactly what you're looking for in seconds. Type in your keywords and receive the language that's relevant to your agenda, issues or interests. Plus, Bill Text also links to a PDF from the U.S. Government Printing Office (GPO) website.

## **CQ Bill Compare**

Side-by-Side Comparisons.

Fully customizable.

With this exclusive tool, you can track the differences in language between Bill Text documents and compare the wording found in two versions of the same bill, in two different bills or in selected sections of any two bill versions.

## **Amendment Text**

Full-text Amendments.

Alerts Tailored For You.

Amendment Text provides you with a first-hand look at amendments to the bills you care about, including draft legislation, often before they've been acted on in committee or on the floor. This online solution unearths committee and floor amendments by bill number, date, and committee and sponsor information. You'll always be the first to know when something happens. The industry's best editorial team will make sure. And our ground-breaking technology allows you to customize alerts for your legislation so you can act quickly.

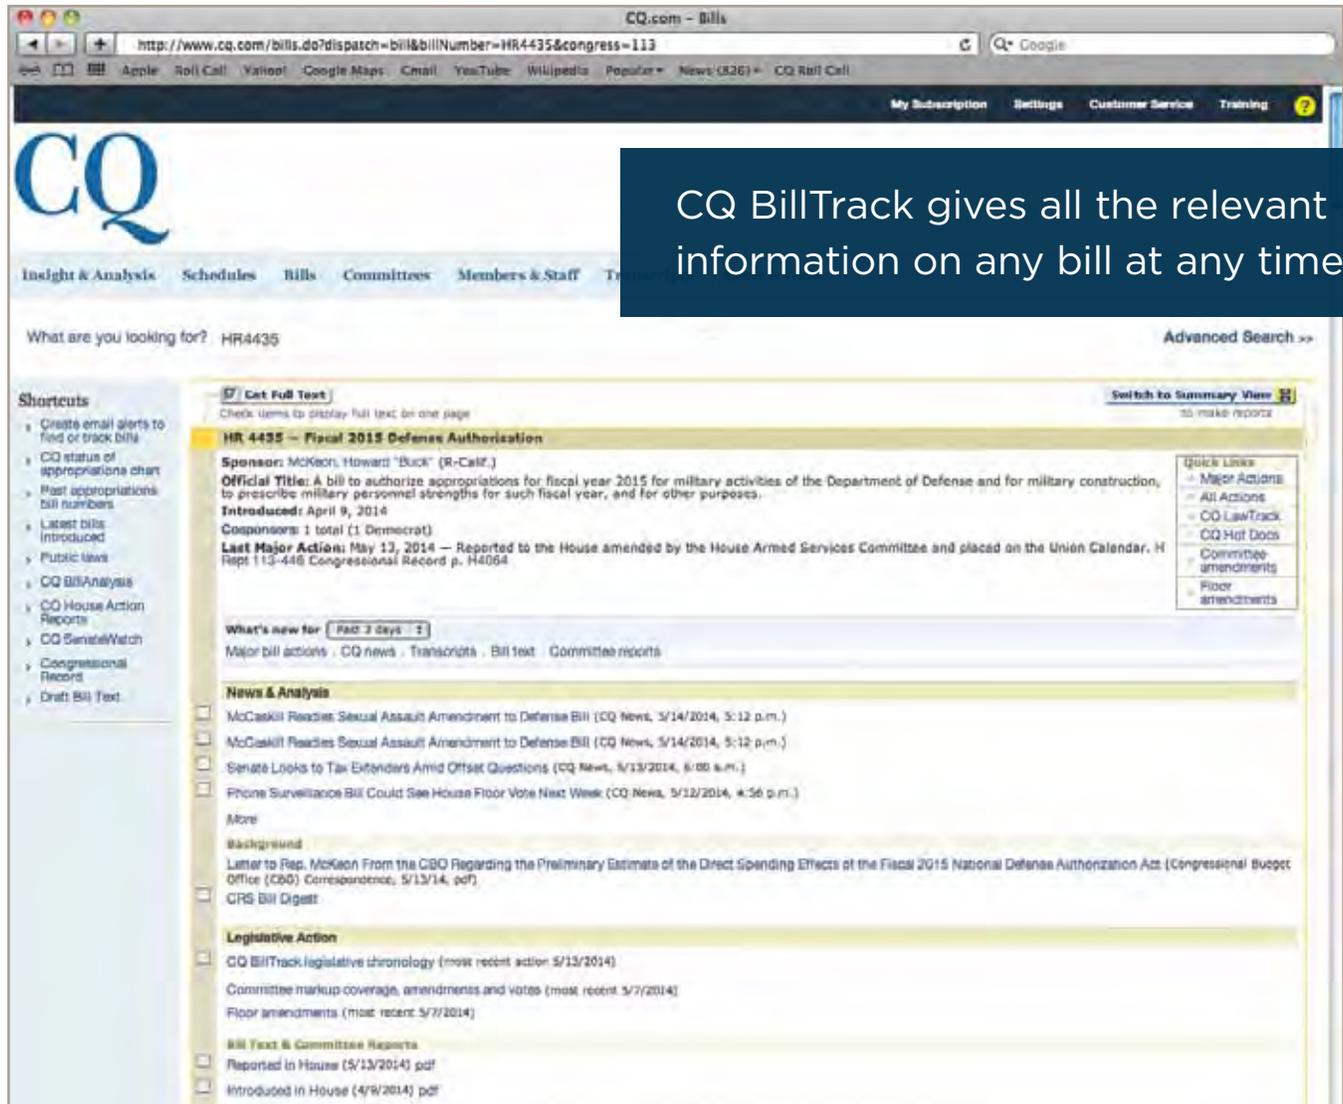

## **Committee Reports**

(1989 - present)

Only service which features searchable and alertable reports and charts.

With Committee Reports from CQ Roll Call, it's never been easier to obtain the information you need on the congressional committees that affect your interests. Get the full text of every committee report, searchable by keyword and bill number, and organized by the full text, outline and sections with keywords; updated between 9 a.m. and 10 a.m. Committee Reports work in tandem with Committee Coverage.

**Committee Reports are searchable by:** Congress number, Word or phrase, Bill numbers, Committees Chamber, Publication date, Report numbers and Date items added.

CQ BillTrack gives all the relevant information on any bill at any time.

## CQ Committee Coverage

Includes Same-day Markup Coverage, Detailed Amendment Information. Vote Breakdowns. (1989-present)

Get in-the-room coverage for every open committee and subcommittee markup. We are the fastest committee markup service delivering reports within 24 hours of the markup and providing listings of past committee hearings and meetings, including agendas and witness lists. With this service, you also gain access to our committee rosters database including full committee and subcommittee rosters, complete jurisdiction information and key committee staff contact information. The database is searchable and alertable by keyword, bill number, member, committee, subcommittee and more with an archive of content since the 101st Congress.

## CQ Bill Analysis (1990-present)

Expert Synopsis. Detailed Breakdowns.
